Gameday Information

Please contact Ed Garland, Director of Athletic Facilities and Event Management, with any questions regarding the use of locker rooms or gameday operations information.

Practice Times
All practice scheduling should be done through contacting the appropriate head or assistant coach ahead of your team’s visit.

Locker Rooms
The New Physical Education Building, which houses volleyball, men’s basketball and women’s basketball, contains fully-functioning locker rooms. Locker room(s) and team classrooms assigned to your team will be available to you on the day of the competition. Locker rooms are supplied with a cooler of water and cups, and towels will be available to the teams on their benches pregame. Locker rooms and changing facilities are not provided for women’s soccer, men’s and women’s cross country, baseball, softball, men’s and women’s track and field or cheerleading.

Showers
Showers located in the New P.E. Building are available, upon request, to visiting teams. Teams not competing on campus must make prior arrangements to reserve shower facilities at least 48 hours in advance with Ed Garland (503-838-8531).

Facility Availability
In most cases, game facilities are available to visiting teams up to two hours prior to scheduled start time of competition. This is altered for tournaments and special events, as needed. Teams can request early access to their locker room or competition site by request to the appropriate coach, or Ed Garland

Pregame Timing Protocol
All sports will follow the pregame timing protocol as listed in the Great Northwest Athletic Conference bylaws. For sports without a GNAC pregame timing protocol in the bylaws, the teams will adhere to the protocol listed in the respective sport’s NCAA manual.

Athletic Training
The Athletic Training room is located in room 107 of the New P.E. Building while the Athletic Treatment Center is located in the Health and Wellness Building just east of McArthur Stadium. On Game days, the ATR will be open two hours prior to the start of the game and open for one hour upon completion. For football, baseball and softball, the ATR will be open at least 2.5 hours before competition. If you will not be traveling with an ATC, please contact our staff with written instructions and modality treatments. Please provide a medical kit with supplies for your team.

Services Available
• Emergency care (AED, splints, crutches)
• Injury evaluation and rehabilitation
• Taping and bracing
• Modalities (ice, heat, stim, etc.)
• Wound care
• Hydration Supplies/Information

Each sideline or bench is supplied with water, cups, injury ice and towels (gym only).

McArthur Field

McArthur Field, renovated in 1987, is the home of the Wolves and is one of the premier football surfaces and track facilities in the nation.

The facility is named for the late NAIA Hall of Fame coach Bill McArthur, Western Oregon’s all-time winningest football coach. He was elected into the NAIA Hall of Fame in 1983 and into the Oregon Sports Hall of Fame in 1995. He passed away at the age of 88 on April 27, 1997.

The field’s design was one of the first of its kind in the United States. Its most obvious feature is lack of a crown, thanks to an elaborate underground drainage and irrigation system.

The field is ringed by an international-standard track that itself is a prototype. The 400-meter oval features 48-inch-wide lanes, a wider radius on the curves conducive to record performances. The track was also resurfaced in the summers of 2005 and 2015.
New P.E. Building

New P.E. Building Western Oregon’s volleyball and basketball home is the Physical Education Building, located on the western edge of campus and across the street from McArthur Field. One of the premier small-college facilities in the Pacific Northwest, it was built in 1971 to replace the Old Physical Education Building, which now hosts football locker rooms, offices and a gymnasium.

With a capacity of 2,473, the Physical Building (also called New PE) was the site for the first four NAIA Division II Women’s National Championship basketball tournaments and has hosted numerous district and regional tournaments.

Most recently, New P.E. played host to the 2016 and the 2018 NCAA Division II West Region Championships.

Ash Creek Preserve

The beautiful Ash Creek Preserve course is the five-time host of the GNAC Championships, the 2015, 2017, 2019 & 2021 host of the NCAA DII West Regional Championship, the USATF Jr. Cross Country Regional Meet.

The course is able to accommodate 500 athletes on the start with distances ranging from 2,000 to 12,000 meters. The course is fairly flat and features a mostly grass surface, some gravel, and no pavement.

Parking is available for buses in the Stadium or Student Housing (Lots G and J) parking lots. Drop off/pick-up will be near the start of the course along Church St.
**WOU Soccer Field**

WOU Soccer Field The WOU Soccer Field sits in the northwest part of campus, with rolling farmlands and hills serving as a beautiful backdrop. The turf is natural grass, and annually serves as one of the best surfaces in the conference.

A completely new drainage system was installed underneath the field over the summer in 2017 while a new scoreboard was placed in 2018.

The field has bleacher seating for 400 fans, with plenty of room for lawn chairs and blanket seating. There is plenty of parking within yards of the north end of the field.

**WOU Baseball Field**

WOU Baseball Field The Western Oregon baseball field sits on the west end of campus with the rolling farmlands of Polk County as a backdrop. Stadium bleachers, seating 420, sit behind home plate. New dugouts were added in 2005. A concession stand and portable restrooms are also available. In right-centerfield is an inning-by-inning scoreboard, courtesy of Les Schwab Tire Center.

In 2018, a drainage system was installed in the outfield grass area to further improve playability during and following rain accumulations.

**WOU Softball Field**

Western Oregon’s facility for softball rests in the northwest corner of campus.

Over the summer of 2018, a new Hellas Matric Turf surface was placed in the infield while the natural grass outfield was fitted with a drainage system that will reduce the risks of cancellations and rain delays. A new netting system behind home plate and a completely new backstop were also installed in 2018.

The grandstand provides seating for 200 while there is also plenty of room downon th enewly built berm beyond the righ field fence. Ample parking is available just beyond the left-field fence.

**Directions & Parking**

**Interstate 5 Northbound**
Take Exit 249 (Commercial Street).
Follow Commercial into Salem, and as you near downtown, Commercial will curve to the right and become Liberty Street.

Stay on Liberty until you reach Marion Street.

Turn left, cross the Marion Street Bridge. Merge into the left lane and take Highway 22 West. Continue on Highway 22 about 10 miles to exit 16 (Monmouth/McMinnville).

Turn right on the overpass, and then turn right again and merge on to Highway 99W. Continue about five miles into Monmouth and turn right on Jackson Street.

Stay on Jackson past the first entrance to WOU and continue all the way to Stadium Drive.

Turn right on Stadium Drive and make another right into the McArthur Field parking lot. The Physical Education Building is right across the street (north) of McArthur Field.

**Alternate Northbound Route**
Take Interstate 5 Exit 228 and follow highway 34 towards Corvallis.

After crossing the Willamette River into Corvallis, turn right onto scenic highway 99W at the second light past the bridge.

Continue north about 20 miles and follow the signs to Monmouth and the WOU campus.

McArthur Field is on Stadium Drive. New PE is at the corner of Stadium Drive and Church Street. Parking is behind MacArthur Stadium.

**Interstate 5 Southbound**
Take exit 260-A (Salem Parkway) and follow into Salem until it merges with Commercial Street.

Continue on Commercial to Marion Street, and then turn right and cross the Marion Street Bridge. Merge into the left lane and take Highway 22 West. Continue on Highway 22 about 10 miles to exit 16 (Monmouth/McMinnville).

Turn right on the overpass, and then turn right again and merge on to Highway 99W. Continue about five miles into Monmouth and turn right on Jackson Street.

Stay on Jackson past the first entrance to WOU and continue all the way to Stadium Drive.

Turn right on Stadium Drive and make another right into the McArthur Field parking lot. The Physical Education Building is right across the street (north) of McArthur Field.

**Parking for Soccer, Baseball and Softball**
Visiting teams are encouraged to park in the lots, J and P, adjacent east of the soccer field off of Stadium Ave. Additional parking for baseball is located in the gravel lot off the first base side of the field.
